Fred & Noelene Williams' Story

Fred and Noelene often visited "Port" to catch up with friends and enjoy some time away from the hectic city pace. On one of those frequent visits, they discovered Broadwater Gardens.

"Even though there was only one house built at Broadwater Gardens, we could see that it was going to be a great Village. We loved it so much, we put a deposit on a house and thought we would make the move."

Unfortunately, timing just wasn't right for Fred and Noelene and due to other commitments, they remained in Sydney for a few more years.

"Every time we came to Port, we would call in to Broadwater Gardens and each time, we could see the Village growing with more and more lovely homes and then the Clubhouse."

"We finally decided to take action and put our place in Sydney onto the market at the beginning of the year.

We knew that it was a tough market to be selling in but we had made up our mind that Broadwater Gardens was where we wanted to be. In the end, we accepted an offer because we felt it was better to do that and get on with our lives, than to wait and miss out! We had looked up and down the coast but nothing came up to Broadwater Gardens. Port Macquarie has it all ... hospitals, airport, good shopping and walks. You can do whatever you like. At Broadwater Gardens you can join in the weekly programmes or please yourself."

"We are so happy in our new home – our one regret is that we didn't move 10 years ago."

Construction has commenced on the final stage at Broadwater Gardens with three homes available for early occupation. Come along on Open Day and enjoy our hospitality, chat with staff and residents and put yourself in the picture.
